NIC #01232-88  
5 April 1988

MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: David D. Gries  
SUBJECT: Distribution of White Cover Key Judgments

Currently white covers are delivered to six policy officials: the President, the Vice President, the Secretary of State, the Secretary of Defense, the Chairman of the Joint Chiefs of Staff, and the National Security Advisor. Additional copies, without the red stripe and name, are distributed to senior Intelligence Community officers.

Unless you object, I would like to add six additional policy officers to the list: Whitehead, Armacost, and ~~Solomon~~ at State, Taft and Armitage at Defense, and Negroponte at the National Security Council. These officers are more likely than their bosses to act on the information contained in white covers, and they should have ready access to it. I do not believe this modest expansion will debase the currency significantly.
